2-Chamber Air Bed

Night Air®

Plush Micro-Fiber Cover

Continuous quilt micro-fiber cover is durable, breathable and incredibly soft.

Staypure™ removable drycleanable cover

Completely zip off the cover for easy access to mattress and/or drycleaning. Ensures you always have a clean, hygienic sleep environment.

Tri-Zone SMT™ foam comfort layer

3" of high-resilience anti-microbial foam provides increased support in the center third of the mattress where you need it most.

Personalized adjustable firmness

Dual heavy duty vulcanized rubber air chamber design allows for personalized, adjustable firmness for both sides of the bed.

Vinyl safety liner

This friction-free surface improves mattress durability and prevents moisture transfer to foam support tray.

Support tray

6.5" profile, high density foam perimeter support prevents edge sag and makes getting in and out of bed easier.

Easy to use controls

Two ergonomically designed hand-held controls provide instant adjustability with firmness levels reflected in LED displays.

20 year warranty

2 year full, 18 year prorated reflects premium quality and workmanship.
